

## Memorandum of Understanding of a consortium of universities in order to cooperate in a pre-school program in Indonesia

**Universitas Pendidikan Ganesha (Singaraja-Bali), Sekolah Tinggi**

**Keguruan dan Ilmu Pendidikan (STKIP) Hamzanwadi (Selong**

**Lombok-Nusa Tenggara Barat), Universitas Ibn Khaldun (Bogor-**

**West Java) and Universitas Muhammadiyah (Jember- East Java).**

**And**

**Windeshheim, University of Applied sciences, department of**

**Human Movement and Education (Zwolle-The Netherlands)**

**Cooperate in the implementation of a pre-school program in Indonesia**

**Elements of cooperation:**

1. Apply for subsidy and funding to implement the pre-school program in Indonesia.
2. Support pre-schools in the Buleleng area and other areas to design the classroom in a pedagogical qualitative way
3. Train the trainers of teachers who will work with the pre-school program as initiated by Windesheim.

4. Implement the pre-school program in 8 rural areas in Indonesia
5. Support pre-school schools in Indonesia in working with the pre-school program.

**Appointments between the consortium partners:**

1. Apply for a grant or other funding in order to implement the pre-school program in Indonesia by the consortium of universities: Windesheim university of applied sciences (Zwolle-The Netherlands), Universitas Pendidikan Ganesha (Singaraja-Bali), Sekolah Tinggi Keguruan dan Ilmu Pendidikan (STKIP) Hamzanwadi (Selong Lombok-Nusa Tenggara Barat), Universitas Ibn Khaldun (Bogor-West Java) and Universitas Muhammadiyah (Jember-East Java) supported by the directorate Generale of Education of the PAUD department in Jakarta.
2. In case of a grant: Continue the implementation in the Buleleng area by train the trainers of the pre-school program by lecturers of Windesheim and Indonesian institutes.
3. In case of a grant: Windesheim lecturers train the teachers in the pre-school program in 10 schools in the Buleleng area and support them to design the classroom in a pedagogical qualitative way in order to get good practices of this program in Indonesia.
4. In case of a grant: implementation of the pre-school program in 8 rural areas in Indonesia by lecturers of Windesheim University (train the trainer program, train teachers and support the implementation).
5. In future, in case of a grant: implementation of the pre-school program in Indonesia by Windesheim in cooperation with the consortium members.
6. Windesheim is responsible for the implementation and quality of the total pre-school program in Indonesia (training the content, quality, implementation, evaluation and flanking research).
7. Undiksha is responsible for the management of the consortium in Indonesia (mentioned above, incl. the financial management).
8. The partners of the consortium are responsible for daily activities in the implementation plan (organizing the necessary facilities for the implementation of the pre-school program).
